

Sponsorship Levels

Richland Library has an ever-growing impact in our communities as a source of information access, employment services, and learning opportunities. In fact, after back-to-back years as a finalist, the Institute of Museum and Library Services (IMLS) named Richland Library as a winner of the 2017 National Medal for Museum and Library Service, the nation's highest honor given to libraries for their service and dedication to the community.

Public funding provides for basic operations, but private support helps ensure a higher level of innovative programs and services, both now and in the future. Please consider supporting the library through sponsorship of *The Literary Vine*, an evening of wine, beer, music, and food at **7:30 p.m. on Saturday, May 5, 2018**.
