WHAT'S HAPPENING AT RICHLAND LIBRARY

Monday, August 30 - Sunday, September 5

Richland Library's mission is to help our customers learn, create and share. We are continuing to offer programs, both familiar and new, and we are finding creative ways to connect with our community and interact online. Here's a look at some of the featured programs that are planned for the coming week:

Virtual RPG for Teens: Dice Tales

Date: August 30, 2021

Time: 6 - 7:30 PM

Location: Richland Library Online

Age Recommendation: Teens

Adventurers who would like to plunder dungeons and face off with dragons will be right at home in these "dice tales" where players create their own characters and form a team to explore a variety of fantasy scenarios. Each session evolves the game as players' decisions affect the story. The rules are simple enough for new players to jump in and flexible enough for experienced players to strategize. If you're age 12-18 and interested in playing, email teen@richlandlibrary.com.
