Request for Proposals

ARTIST-IN-RESIDENCE / Fall 2026 & Spring 2027

Richland Library seeks submissions for the Fall 2026 and Spring 2027 Artists-in-Residence. Richland Library's Artist-in-Residence Program aims to connect the community with local working artists and to provide creative and educational opportunities to the community in a way that supports cultural and artistic exchange.

We are looking for visual, performance, installation or media artists who have a direct connection to the local arts community and a desire to help the library improve the livelihood of our creative community. The resident will deliver art-making tutorials, studio tours, creative workshops and artist meet-ups, and serve as a liaison between artists and the library while enjoying a space of their own to create freely.

As a part of the residency, artists receive space and support for an exhibition or performance opportunity through the library.

Residency Dates

FALL 2026 : July 6th – December 11th

SPRING 2027 : January 4th – June 11th

Application Deadline: May 15th, 2026

Candidate Interviews: Week of May 17th, 2026

RFP Submissions:

For More Information about the Artist-in-Residence Program at Richland Library, or to submit your application, visit <https://www.richlandlibrary.com/residents>.

Applicants should be prepared to include the following:

- Artist Statement/Bio
- CV/Resume
- Samples of work
- Brief proposal describing how you can help Richland Library connect our customers and local artists to artful opportunities and experiences that advance the community. Proposals should include specific ideas for special programming, projects, artist talks, or workshops.
